8. The addition of mirrors framed at the gates of the bathroom or the closet not only has a purpose, but it seems much more beautiful and gives the illusion of a larger room. Source and instructions: The House of Smiths 20. Source and instructions: parsimonious decorations chick 14. Source: HomeTalk 4. Go to take a look at more photos and complete instructions on a beautiful mess. Everyone may not like the paper lined drawers or the paper I have selected and will be easy to remove. Brilliant! Take a look at more details and photos at Smiths's house. If you liked this renovation, you will love the belief that I whitewashed I will share all the details of this restyling, including what I put in the drawers. Remove your existing mirrors that you may have seen or even applied this idea of Fai -Da -Da -you to add finishes to one of your existing bath mirrors (makes such a difference!), But I am also in love with the idea of Add a shelf in the middle of the mirror to separate two sink or out of the side for an extra storage space. It is where you hang your TV or decorations with family photos. Source and instructions: The House of Smiths 2. Waincoting Fa -Da -Da -Te a fantastic way to add character to any wall is with waincoting because it takes size and value to simple walls. Take a look at the complete instructions for this project on Creations of Kara. I really like this idea of FAI -DA -DA -DI -to use it on a single door of the cabinet for notes, quotes or food lists. Guys, you know that for the most part I work with the paint I have at hand instead of spending money to buy more. For me there are not many finishes of more beautiful furniture of the white paint in difficulty. Comé is massive wood and the drawers are in good shape. This makes the entire shower feel and seem more elegant. Windows Cutting doors that add coatings and moldings to anything will make it seem more elegant, but framing the windows and doors is one of the most effective ways to increase the furniture of your home. Perfavore watch look Disclaimer policy. You want your curtains to be full and luxurious! Read more on this here. I use a large brush to sprinkle the smooth paint and the sawdust particles from the furniture, then I clean it with a dry rag. Unfortunately, the floors can be very expensive to replace, but what happens if you could simply slap some hands of paint?! Ok, maybe it's not so easy. Source and instructions: Creations of Kara 17. It is ideal for the fixtures that are not touched as ceiling fans and lights, but you can also use it on taps and doors knobs with a little retouching from time to time. Update the brick with Macchia it turns out that the concrete stain can be stuffed more than simply the concrete. The piece was also on wheels. Rouncet tap: honestly Sarah D. Appendi tents high and wide only because you have small windows does not mean that you have to frame them small! Give the illusion of largest windows by hanging the tents at the top and wide. For me this means painting and then anguishes the furniture so that you seem gently worn. This creates more drama in the room, making the walls higher and aerier in the room. Take a look at the step-by-step instructions for this project on Family Handy Man. Watch this video tube with suggestions on how to do the job in the right way. Wait and that's it. This was done with the wood recycled by a fence that had fallen into a storm and I love the way it turned out to be! They managed to do it in less than an hour and, since she is sitting on the fireplace shelf, there is no need to mount it on the wall unless it is low enough to reach small hands. Transform a wall thinks beyond the simple consistency and the paint and choose a wall or two in your home that you can show with wood or other timeless materials. Mini-Blinds with Roman tonalits break Your scissors for this idea of do-it-yourself remodeling! You can easily transform your old mini-blinds into Roman tonalities with some snirers (oh, and a little sewing for the real tonalitate), but you can easily use the il From mini curtains to personalize your tonalitates! Apparently, you can also buy tents in Walmart for less than \$ 5, so even if you don't have the curtains to save, you can collect them new for a few costs. Accent enactment of accent uses the painter's ribbon to create a fun mosaic accent wall! I love this idea for a small wall in a nursery, a children's room or a games room. Paint your floors yes, you can do it! Two words come to mind when I think of Linoleum "ugly and obsolete. With it in the center of the house, a renovation of the fireplace can make a huge difference in the feeling and interior design of your home. Using the pine wooden axes here. You can see the mold/mold in the photo above. I pulled my Ryobi battery sander out and I went to work. The color of the paint for this is close and the mirror is a tonalitate of white that I have never used before and
